

Sven Esser

Multimedia Designer

Curriculum Vitae

Profile

I love design, I live design. The last 11 years I worked as a designer for video, digital design, dtp and webdesign.

Work experience

Servicedesk IT, CBS, Heerlen

July 2007 - June 2008

My tasks at the servicedesk is helping the people in need with technical related problems.

Also I was responsible for the equipment lendings and the phonebill queries. Beside those functions I helped with designing elements for the website and magazine.

Intern Graphic assistant, St. Phoenix, Maastricht

February 2010 - September 2010

Intern Graphic assistant, here I started to learn the beginning of professional designing.

Helping with photoshop making pictures transparent background and designing some basic elements for a magazine called "code maastricht".

Multi media designer, KRACHT12, Maastricht

September 2010 - May 2014

KRACHT12 A Marketing company, this was the start of my professional career as a multimedia designer.

My tasks are Logo design, magazine design, product packaging, webdesign and videoproductions.

Multimedia Designer, Sv3n, Maastricht

June 2014 - Present day

My start as freelancer

The past 5 years I had a variety of clients from startups to government, small and big businesses.

This is what I love, spend my time designing and help people to showcase their product or company.

I do:

- Dtp - banners, promotional materials, leaflet, magazine, product packaging.
- Digital design - stationery, website, social media, email marketing.
- Wordpress Websites - design, css, html, plugins.
- 2d animation videos - Infomercials, product advertisement, logo animation.
